Each day this man embarks on a voyage of discoveries and takes many students with him. Advising the Junior class and Angling Society, and coaching Girls' Tennis are just a few activities that keep him busy, but the students' needs and problems always come first to him. For helping us in our voyage of discovery, we dedicate the 1977 Vista del Ano to . . .

She was a Queen of Noble Nature's Crowning, A smile of hers was like an act of grace; she had no winsome looks, no pretty frowning like daily beauties of the vulgar race; But if she smiled, a light was on her face, A clear, cool kindness, a lunar beam of peaceful radiance silvering o'er the stream of human thought with unabiding glory: Not quite a waking truth, not quite a dream, A visitation, bright and transitory . . .

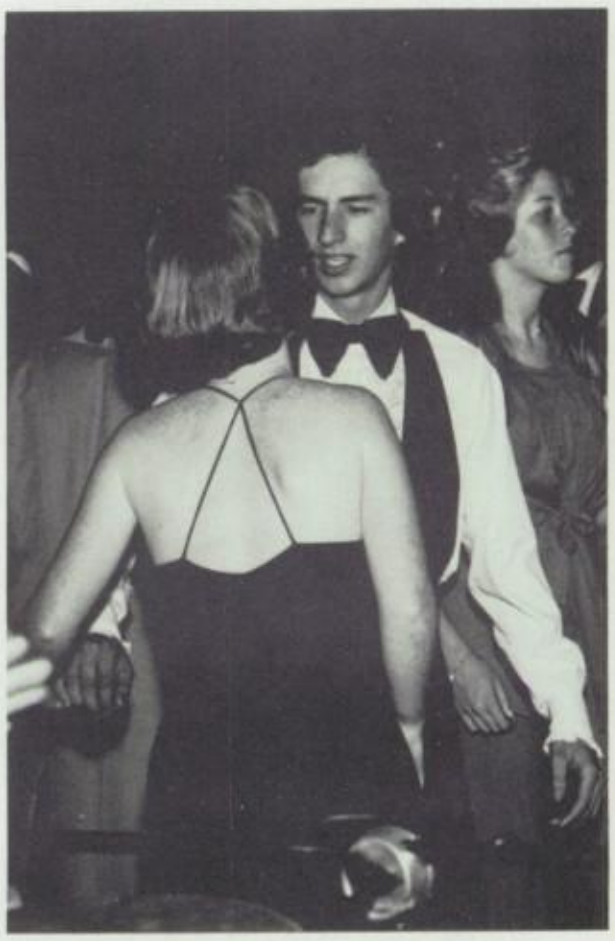
CHRISTMAS CHEER WEEK

Golden Moments

to Treasure



Love is a strong thing. It is a flower so delicate that a touch will bruise it, and so strong that nothing will stop its growth. Think how often we miss love in a lifetime — by a wrong gesture — by an unspoken word — by not keeping silent at the right time, we lose it by the interference of other people; by lack of money; by a quarrel over a trifle; and yet we cannot live without it.
